

CORE FRENCH

4-6

Teacher: Mme Cameron
Contact: grace.cameron@hrce.ca

CURRICULUM

The Core French curriculum for elementary school follows a literacy-based approach developed to increase French oral abilities. The three outcomes for each grade focus on language development in speaking, reading and writing, with a focus on speaking.

ASSESSMENT

Students will be assessed mainly on their ability to communicate orally, but also through reading and writing tasks.
Participation is important!

Assessment tools will include: classroom participation records as well as rubrics and checklists for in-class assignments and projects.

THEMES
